### DETAILED ACTION

1. Applicant's arguments filed 12/14/04 have been fully considered but they are not persuasive.

#### ***Claim Rejections - 35 USC § 103***

2. The text of those sections of Title 35, U.S. Code not included in this action can be found in a prior Office action.
3. Claims 1-16 are rejected under 35 U.S.C. 103(a) as being unpatentable over Stupak et al. in view of Walker et al. 864'.

The Applicant is referred to the first Office action, mailed 10/04/04.

The Applicant has argued that Walker et al. 864' reference states that a player may be allowed to choose from among two or more payout tables and does not specify that the player is allowed to actually select two or more payout tables. The Examiner disagrees. The Examiner maintains that paragraph [0138] suggests that a play may select two or more payout tables.

4. **THIS ACTION IS MADE FINAL.** Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire THREE MONTHS from the mailing date of this action. In the event a first reply is filed within TWO MONTHS of the mailing date of this final action and the advisory action is not mailed until after the end of the THREE-MONTH shortened statutory period, then the shortened statutory period will expire on the date the advisory action is mailed, and any extension fee pursuant to 37 CFR 1.136(a) will be calculated from the mailing date of

Art Unit: 3711

the advisory action. In no event, however, will the statutory period for reply expire later than SIX MONTHS from the mailing date of this final action.
